

The More We Read the Bible

The more we read the Bible, the Bible, the Bible.
The more we read the Bible, the happier we'll be !

We learn about Jesus and how we may please Him.
The more we read the Bible, the happier we'll be !

The more we keep on singing, keep singing, keep singing.
The more we keep on singing, the happier we'll be !

We'll sing about Jesus, the songs that will praise Him.
The more we keep on singing, The happier we'll be !
